

The story of the clan is never that of fading away, but always flourishing. The clan grew as newer shoots, all of whom are not just successfully, but true to the culture values and has pride in the legend of the centurion

Abaam Tharavadu.

Everyone has stories on how their stay at Tharavadu has shaped and then set them up for success – even those grand kids, which use to spend just a few weeks every summer at Tharavadu. They say the ethos has inspired them in preserving this legacy and sharing with all who wants to soak in the same.

Abaam Hospitality has a proud list of properties with varied experiences. When we set out to seek an authentic Kerala experience with a soul as our fifth, we stumbled upon Tharavadu, which is more than what we sought! We received this from the family of Mr. Joy, Mrs. Rosakutty, their sons Anil & Arun, who shared with us the legend associated. As thrilled as we were, we reflected on how best to touch up the Tharavadu for a great experience, remaining true to its spirit. Universe blessed our quest with a family of carpenters who hails from a lineage of specialists who restores tharavadus, true to its measurements, artistry and ancient practices. So after 119 years with the clan, Tharavadu joined Abaam group as our fifth proud addition, all set with a utilitarian chic, all open for you.

For the ones who seek a soul in a place, to reflect, create, or simply just be in the present...More than a building, more than just greenery.....a sonnet, a tug, a legend of stories, of accomplishments....The Abaam Tharavadu Experience..

THE HISTORY OF KUMBIDI THARAVADU

(A UNIT OF ABAAM HOSPITALITY PVT LTD)

Kumbidi Tharavdu (now known as Abaam Tharavadu), is a delight in vernacular architecture. She is still young at 119 years! The wind used to bring in fragrances of fruit and medicinal flora of the surrounding courtyard. The cowsheds attached to the tharavadu was always referred to an auspicious vision when you set forth for trips. The tharavdu and its surroundings is a perfect embodiment of the Kerala abode. Beyond the bricks, lies the stories of a visionary who created nurtured and flourished a clan, which grew from Abaam Tharavdu's essence and energy.

Legend! When we hear some stories, we call it a legend. They evoke awe, grandeur, inspiration, righteousness, aspiration. Many are of people who conquered heights and left impressions. Its indeed a privilege to experience a story of a "legend" and the clan he built..and the center of it all, one of the most legendary tharavadus of Kerala with a demure subtle elegance.

Meet Abaam Tharavadu. She has seen more than a century. Seen the world change, monarchies rule in and fade away, a country being formed, three princely states being amalgamated to become God's Own Country, roads, rails, agriculture, electricity - changes seeping in and also be a path breaker herself. She stands tall, strong, deep and as elegant as she was for the last century. Very few dwellings can boast of this and still survive and flourish and stand to tell the tale.

Abaam Tharavadu is a must for anyone to soak in the demure grandeur. Every corner has a story. The whole persona is a lesson in itself for us. Every person has a different favourite in Tharavadu after a stay. The soul of Abaam Tharavadu connects with us in varied ways. But always just what we need! Reflection, Poise, Balance, Peace and Strength. Strength from within to be firmly attached with detachment and align within the oneness of universe and nature. The Peace and Kindness of Earth!

The tall men of the lineage shaped and impacted life around them. Kumbidi was central to it all. The descendants are spread across the globe, but each one carries and breathes the soul of this crucible of being with them.
